- How to Win Clients- What do the world's best leaders know that the rest of us don't? How do you become an influencer without feeling like a salesperson? How do you connect with clients and get your reputation to spread? The most powerful techniques are often very simple and easy to apply. —Sam LaQuale, Masello Salon Services of New England
- Men-u Men's Grooming & Business Lack of training in male grooming and truly understanding the fastest growing segment in our industry could be what's holding back existing stylists in expanding their repertoire. Learn tips from Men-u Men, a highly recruited secret weapon for any stylist trying to sharpen their clipper skills Sam LaQuale (Masello's) & Justin James (Men-u Men)
- **Rezenerate Facial System** –The new Rezenerate modality is the culmination of a decade's worth of research and collaboration between Nanophysicists and Bioscientists to create a cutting-edge system that achieves the results of more invasive skincare modalities WITHOUT the pain, downtime, and other negatives often associated with risky medical procedures. -Essentials
- **Bombshell Waxing** Bombshell focuses on preparing professionals to better understand brow architecture, mapping & shaping methodologies. 7 Minute Brazilian wax, & the newest modalities in waxing such as nostril, ears, toes and more. -Essentials
- **Commercial Real Estate** Leveraging commercial real estate to improve your salon's profitability. Learn strategies and ideas for how salon owners can put real estate to work for their business, including how to save money on new lease negotiations as well as lease renewals.—Stefan Zelich (Carr Healthcare Realty)
- **Best Practices: How to Maximize Your Profit** Bookkeeping, tax filings, best practices: budget setting, margin management, and getting your business ready to sell. *Jamie Doucette Schmidt (Dave Doucette CPA)*
- Identifying & Releasing Energetic Blocks Identify and release the core beliefs and emotion triggers that prevent you from accessing your true gifts and living a successful and happy life. Identifying the early seeds of belief that undermine success. Release them through a combination of guided meditation, Emotional Freedom Technique and essential oils. -Judy Giovangelo, Master Intuitive Healer & Coach
- Make up with Grace Marie— Learn how you can easily take a day look and go to an evening look with just a few make up items. Also learn the newest trends in the make up profession.—Grace Moschetto (Grace Marie Beauty)
- **Longevity in the Profession** Learn self-care, ideal posture and healthy lifestyle to extend your physical-self for longevity in the profession- Philip Wong, DC
- **Open Forum Question & Answer -** Collaborate with consultants and attendees on challenges that arise in our profession. Debate current topics in the industry such as Groupon, renters, and much more!
